Objective:

Artificial Intelligence and Data Science student with strong interests in Artificial Intelligence, Machine Learning, Data Science, and Web Development. Skilled in Python, MongoDB, and SQL, with hands-on experience in building real-world intelligent systems. A motivated learner, problem-solver, and team player eager to develop impactful and scalable solutions.

Education:

B.Tech – Artificial Intelligence and DataScience 2023-2027

Kumaraguru College of Technology - CGPA 7.53

SSLC-Government Higher Secondary School-Percentage 100

HSC-Government Higher Secondary School-Percentage 87.5

Soft Skills:

- Teamwork and collaboration
- Good listening
- Effective communication
- Problem-solving ability
- Quick learner
- Self-motivation

Technical Skills:

- Machine Learning and Deep Learning
- Python programming
- Data Analysis & Data Visualization (Pandas, NumPy, Matplotlib)
- SQL (basic)
- Computer Vision
- Git&Github
- HTML, CSS, and JavaScript(Basic)

Project

◆ AI-Based Enterprise Chatbot

Developed a secure AI chatbot for HR and IT support.

Implemented document-based responses with access control.

◆ YOLO-Based Object Detection

Built a deep learning model to detect mechanical components using YOLO.

Generated CSV-based evaluation results for accuracy analysis.

◆ Smart Billing System (Python)

Created an automated billing system for retail stores.

Improved billing speed and inventory tracking.

◆ Movie Recommendation System

Designed a system to recommend movies based on user preferences.

Applied machine learning and data analysis techniques.

◆ Semi-Autonomous Inspection Drone

Developed a drone for inspection and light cargo transport.

Enabled real-time monitoring and controlled navigation.

Certification:

- [Data Visualization](#)
- [Introduction to Web Development with HTML, CSS, JavaScript](#)
- [Cybersecurity for Everyone](#)
- [Introduction to Cloud Computing](#)

Internship / Research:

Coimbatore Innovation And Business Incubator (Forge)-July to Dec (2025)

Personal Interest

- Staying updated with technology and financial trends
- Traveling and exploring new places and cultures
- Listening to music for relaxation and creative inspiration
- Actively interested in sports and fitness
- Watching movies to understand storytelling and visuals

Languages Known

- Tamil
- English
